

**ALHISHN BIG
TIME STUDIOS**

WELCOME TO THE FUTURE OF FILM-MAKING

AlHisn Big Time Studios is one of the largest film and television production studios in the Middle East, featuring a fully integrated media city designed to meet the highest production quality standards. This distinguished facility includes two massive studios, each measuring a costume tailoring workshops, and an expansive outdoor space of 150,000 square meters.

STAGE A

MULTI-USE STUDIO SPACE:

Stage A spans 5,000 square meters and can be divided into three studios with movable partitions, providing high flexibility to realize creative visions.

RIGGING CAPACITY: 500 KG EVERY (2X6) M

INDOOR WATER TANK

A 12x12 meter pool with a depth of 7 meters, separated from the control room by ultra-clear glass, allowing for precise underwater scene management.

ARRI MUSEUM:

A dedicated museum showcasing the history of Arri with a collection of its vintage equipment, adding a historical and cultural dimension to the studio.

PROFESSIONAL ARRI EQUIPMENT:

Equipped with the latest lighting and camera technology from Arri, the global leader in cinema technology.

RIGGING CAPACITY: 1 TON EVERY 3 METER

STRATEGIC DIVISION

The 5,000 square meter studio located in AL HSN BIG TIME Studios is divided into three specialized studios:

MOTION PICTURE STUDIO

Studio for virtual production, featuring cutting-edge technology for innovative visual experiences.

VIRTUAL PRODUCTION STUDIO

An artificial rain system, perfect for creating dynamic scenes.

MOTION CAPTURE STUDIO

A specialized studio for high-quality film production.

UNIQUE FEATURES: OUTDOOR POOL

A 50x50 meter pool with a depth of 3 meters, designed for filming outdoor scenes that require a large aquatic environment, giving directors greater freedom in capturing diverse scenes.

PREMIUM FACILITIES

THE ADDITIONAL PREMIUM FACILITIES INCLUDE:

Luxury suites for VVIPs & VIP, film production offices, and fully equipped editing rooms, creating a comprehensive production environment that meets all cinema and television industry needs.

BACKLOT VILLAGE:

An open outdoor area extends over an area of 150,000 square meters.
